

BARKWORTHIES®

NATURALLY HEALTHY. NATURALLY HAPPY.™

2020 PRODUCT CATALOG

OUR MISSION

We created Barkworthies to satisfy our search for a new class of dog chew. We wanted our pets to be able to enjoy a premium product, with no artificial preservatives, colors or flavors. Barkworthies began as a brand dedicated to simple nutrition, yet it became so much more. We responsibly procure only the finest, nutrient-rich ingredients from around the world. We know dogs, and we know how to ensure they are healthy and happy.

ALL NATURAL BULLY STICKS

Our Bully Sticks are a great way to give dogs a chew they'll love and are healthy for them too. All of our bully sticks are 100% beef, meaning your dog will digest them, unlike rawhide chews. No bleaches or chemicals are ever used in the manufacturing process.

BONE CHEWS AND ANTLERS

Our All-Natural Antlers and Bone Chews come in several different forms, perfect for all dogs ranging from those with a passion for chewing to gentle nibblers. Gentle or frenzied, the scraping motion used to chew the bone or antler helps to promote a pearly white smile.

BONE CHEWS

Featuring a wide variety of proteins, our bone chews will pose a challenge for even the most voracious chewers.
